DAANA PRESIDENTIAL ADDRESS

I would like to thank all alumni for the hard work done in furthering the cause of DAANA. With the President-Elect fully in control, the continuation of the wonderful planning and implementation from Secretary and a wonderful mature and responsible Treasurer as well as very capable Board of Directors and Committee members, DAANA is doing good and is poised to do even better.

Many of the projects we had undertaken in a small but zealous manner at the start are slowly bearing fruits.

17 of our alumni got into various residencies in the US. I would like to thank the robust and dedicated members of the Mentorship Committee who have worked very hard behind the scenes in helping younger alumni in persuading their noble career as Physicians in this country.

DAANA Youth has also started contributing in community endeavors. The DAANA Day of Service was celebrated all across the US with youth helping various charitable organizations.

DAANA Matrimonial has been able to arrange marriages for a lot of alumni relatives and others successfully.

DAANA has also been able to articulate various physician-related and community concerns as a powerful advocacy group both here in the US and also in co-ordination with DAA in India.

Among the various DAA-coordinated activities, we have Charitable Teachers Clinic, Mobile Clinic, Medical camps, Rohingya refugee aid, medical service at old age home and DCMS parents' home visit program. A live web conference was also arranged at DCMS where experts from across the world can deliver live lectures to medical students.

In Bangladesh, educational institutions teaching secular education to Rohingya children have been sponsored. Basic life necessities are being sustained by donating to institutions like Hope Foundation; sponsoring borewell for clean running water continues.

But I realize that the needs of the world are far more than our pocket sizes or our bank accounts. In addition to our current projects we are also looking forward to more US centered charity initiatives as well as more alumni centered coordinated efforts at DCMS.

I would like to thank all for helping in the growth of DAANA for Deccan alumni as well as the world in general.

This is my last address to you all as the President. I would like you all to give the same if not more respect and help to the new President-Elect Dr. Moizuddin, Secretary Dr. Taruj Ali and Treasurer Dr. Akhter Noorani.

I would also like to sincerely apologize to any one whom I may have hurt in words or actions and request you to forgive me with your heart. I wish the DAANA-DAA organizations all the success in the name of God Almighty.

Sincerely,

Raza Khan, MD

DAANA President 2016-2020
