DAANA President Letter

It's a privilege and honor to serve you as the Second President of Deccan Alumni Association of North America since July 1, 2020. In this challenging pandemic, I salute all our proud alumni serving their communities and pray for their health and wellbeing. Please continue to pray for our departed souls and help our grieving brothers and sisters who lost their loved ones at this time.

DAANA's mission is to provide volunteer medical services and other charitable efforts to benefit the needy irrespective of their caste, creed and religion. A special thanks to Dr Raza Ali Khan, for his vision to lay a solid foundation that has helped us grow to a formidable name of credibility among all the alumni organizations across the globe. Thank you for your excellent leadership, and we look forward to your guidance in your new role with DAANA Board of Trustees soon. Please review his letter and our website for all details on our current projects. My brief vision of our organization for the year 2021 is:

- Partnership with our sister alumni organizations: DAA, DAAME, DAE
- Collaborate with other Hyderabad based NGOs in USA and across the world
- Support our Projects: Refugees, Flood Relief, Medical Camps, Charitable Clinics
- Establish DAANA Charitable fund for Poor Patients at Esra, OMRC, Durreshahwar, Muslim Maternity and other old city hospitals
- DAANA-DAA Parents Home Assist Program, provide additional services
- Youth Mentorship & Humanitarian Mission Program: Guatemala, Bangladesh, Uganda, India along with DAANA Service Day and other charitable programs
- DCMS International Mentorship Program: Clerkship/Observership Academic Centers & Residency Program Collaborations in US, UK, Australia & New Zealand
- DCMS Student Grant/Scholarship Program: undergraduate, postgraduate training
- Alumni Academic Video Live Lecture Series with DCMS Faculty at OMRC
- DAANA Scientific & Research partnership with DCMS Faculty & Students
- Establish and fundraise DAANA Emergency Alumni Relief Fund (DEAR Fund)

Our alumni are now admired by all for our willingness to serve, stand up to the health care and humanitarian challenges faced during this COVID19 pandemic. Your selfless work, charitable donations, time, devotion, brotherhood and professional accomplishments will help us grow to a more formidable organization in the year 2021. As your President, I can assure you that all your concerns, suggestions and critique will be acknowledged with a goal to better serve our alumni now spread across the globe. May god help guide us to help serve the needy and continue our noble work to better serve our alumni in these challenging times.

Warm Regards

DAANA Past President Letter 2020

2020 was a year to remember. Physicians had the enormous job of answering their calling as COVID warriors, taking care of patients, self, family and practices through this rough ride. For those who lost a family member, our organization expresses its profound sympathies, And for those who got COVID and survived...they say what doesn't kill you, only makes you stronger.

DAANA took this Pandemic challenge as an opportunity to do good for the society at large. We come together as a Deccan Family, helping friends and family members when needed by facilitating admissions to hospitals and triage. Its leadership skills also helped the general population of Hyderabad at large besides other places in the world. I would like to appreciate and thank Dr Adil Majid, Dr Naseem Majid, Dr Ahraar, Dr Shaeq Mirza, Dr Faisal and Dr Aleemuddin and many others who were our proud Covid Warriors..... and to them, DAANA is thankful.

COVID education across the world was undertaken by Pulmonologists Intensivists and infectious Diseases Physicians including Dr Taruj Ali, Dr Moiz and Dr Shakeel. Coordination of Medical Care from various specialists was also arranged.

Our alumnus Dr Aslam was instrumental in getting most of the NGO organizations working in Hyderabad under one roof to start Hyderabad Welfare council and our alumnus Dr Irum Jowhar is doing a wonderful job for Access organization.

Your donations helped sponsor Triage phone lines in Hyderabad that did a wonderful job of locating hospital openings and directing the patient flow. We distributed food at the time of COVID lockdown and torrential rain, besides buying household items for the poor and needy during this time.

DAANA organized Youth Day in the US undertaking community service activities. We organized fundraising for COVID related and Flood related help.

Dr Moizuddin assumed Presidentship, and has since done exemplary work both as DAANA President and as a Critical Care Physician. Dr Taruj Ali continued his immense contributions as Secretary and Dr Akhter Noorani stepped up as Treasurer of the organization and did a timely and efficient job. The BOD's did an excellent job and half of the DAANA board is stepping down this year and new Bylaws were written and are ready to be ratified later by all.

As someone said that 2020 is not the year when one needs to focus on what all you gained but rather have the gratitude to thank God for everything that you still have.

DAAE President Letter 2020

I am pleased to inform you all that a great endeavor has been successfully launched with the establishment of DAAE as an organization. We have been on this journey in the United Kingdom (UK) for a very long time but the dreams of many of our alumni has come to fruition in 2020. We are still in the process of registering DAAE as a Charitable institution in the UK and soon will share this news with all of you as well.

We as DAAE are indebted to our friends at DAANA, DAA and DAAME for lending their encouragement, inspiration and vision to support us with this humongous task of structuring the organization. Our developments are taking shape now with the formation of a vibrant and energetic Board of Directors (BOD) that takes pride in committing to the core aims of DAAE with charity, education and social / cultural initiatives at its heart.

Following are our dedicated and enthused group of BOD:

Farooq Khan (93) – President
Nazima Waliulla (90) – Vice President
Junaid Nasiri (95) – General Secretary
Misbah ur Rehman (93) – Treasurer
Farrukh Shamshad (88)
Abrar Ahmed (89)
Wasif Siddiqui (90)
Zackaria Syed (90)
Abdul Malik (92)
Rubina Fatima (94)
Yousuf Shaik (95)
Aamir I Khan (95)

Our vision is ambitious but with all the support and commitment of all the DAAE members and wider alumni across the globe we compel to achieve this In Sha ALLAH:

To create a society where there is equity of access to good quality healthcare and education, and relief from poverty resulting in high quality of life.

Our aims / objectives are charity, education and social / cultural initiatives.

Following are our workstreams:

- 1. Charity** – Fundraisers in specific and focused issues which will include both local and International work.
- 2. Humanitarian** – Disaster management, local and International work including regular activities and also emergency / urgent commitments.
- 3. Career development / Academics / Educational** – This will consist of guidance to back home graduates, seminars, webinars, support to new entrants in the UK and Europe.

- 4. India / Hyderabad Medical / Clinical support** - Helping, coordinating, medical and clinical input mainly in Indian context.
- 5. International coordination** – Working alongside other charitable and NGOs in garnering support in common causes.
- 6. Social / Networking** - Event organization.

We envisage to work closely with our sister organisations in the US, India and Middle East to achieve the shared objectives and goals.

Jazakumullahu Khairan

DAA President Letter

Greetings to my dear DCMS family.

2020 has been a year full of unprecedented challenges.

While we were still grappling with the Covid pandemic, Hyderabad, our beloved city, was hit by the worst rain affected floods in a long time.

We saw scarred souls, rock bottom confidence levels, financial problems with the pandemic which was followed by despair & destruction in Hyderabad due to the floods.

Our colleagues in the medical field were severely affected by the pandemic & a few lost their lives. It couldn't be worse.

But, when the going got tough, the docs got going..

The supreme strength of the human souls came to light in these tough times & various social service organisations jumped in to help with all their efforts.

Our Alumni were in the forefront of efforts to help out those in need.

DAA/DAANA provided rations to the needy, helped out the migrant workers walking to their homes on the highways by providing them with dry eatables, footwear & other resources.

Hyderabad was one city which had to bear the double brunt of the pandemic and the worst rains & floods in its history.

The kind of emotional encouragement, monetary support & concern that was provided by our overseas alumni was exemplary. The huge flow of funds, the innumerable calls of concern, the meetings & discussions online to help out fellow citizens of their home city, was something overwhelming!

I wish to convey to all those alumni the sincere thanks & prayers & duas given by all the beneficiaries. Our rehabilitation program is still underway & continuing.

With a free 'Teacher's Clinic' running & various other need based programs underway, the DCMS alumni hope to contribute to society on a day to day basis & in times of need.

With the desire to 'give back to society' burning strong in our hearts, our Alumni wish to continue to strive to make our societies better places to live in with the firm belief that "together we can".

Dr M A Majid Adil
President, DAA

DAAME President Letter

It's an honour and privilege to be the president of DAAME. I, Dr. Syed Obaidullah Junaid (86 batch) would like to utilize this platform to serve the alumni and the community. The purpose of this association is for education and career guidance to equip students and alumni with the knowledge, skills and values needed to make informed decisions at key educational stages to successfully transit from school to further education or work and even get job placements in the Middle East. We can accomplish this by conducting academic activities and various courses. Joining hands with other alumni to work together for betterment of the community. We as a team will rise to aspire the community towards the strong health support system. It is the sense of responsibility towards community and the nature of selfless acts coupled with the benefits that our work can provide to the society as a whole. Volunteering your time to support a cause that you are passionate about is something you will never regret. Giving back to the place you call home helps to unite the community and bridge some of the social economic and political gaps.
