

DECCAN COLLEGE OF MEDICAL SCIENCES

**THIRD ANNUAL RESEARCH DAY
Thursday, June 20, 2024
Owaisi Hospital & Research Center
Hyderabad, India**

RESEARCH DAY PROGRAM

8:30 AM	Registrations	
9:15 AM	Welcome Address	Dr. Ashfaq Hassan, Principal, DCMS Dr. M.A. Majid Adil, Vice-Principal, DCMS
9:30 AM	DCMS Lecture Hall #1	UG Clinical Vignette Oral Presentations UG Clinical Vignette Poster Presentations
10:00 AM	DCMS Lecture Hall #2	PG Clinical Vignette Oral Presentations UG Scientific Research Oral Presentations PG Scientific Research Oral Presentation
1:30 PM	Key Note Speakers	Invited Guests Dr. Mohammed Moizuddin, President DAANA
1:45 PM	Word from Honored Guests	Col. Dr. G.K.N. Prasad, Chief Administrator Dr. M. Gopal Kishen, Medical Superintendent Others to join on Research Day
2:00 PM	Prize Distribution	

DCMS ANNUAL RESEARCH DAY
Thursday, June 20, 2024
CLINICAL VIGNETTE ORAL PRESENTATION
Medical Students

- 1. Uncovering Paraneoplastic syndrome in a young male, presenting as polyradiculoneuropathy**
Aatiqa Mafaza (2022 batch), Mohammed Zoheb MD, S. Chandra Reddy MD.
Department of Neurology.
- 2. Hollow Viscus Perforation in Typhoid**
Amena Maryam Imam (2002 batch), Rania Khan (2022 batch), Ganesh Vadthya MS,
Department of General Surgery.
- 3. Gradenigo Syndrome – A case of CSOM with Petrous Apex Involvement**
Rumaisa Rafi (2022 batch), Summayya Fatima (PG), Nabil Abdul Samad Mulla MS,
Department of Otorhinolaryngology.
- 4. Mesenteric Cyst with A Twist**
Juveria Fatima (2021 batch), Shaila Tasneem (2021 batch), Naushaba Tazeen MD,
Idrees Akhtar Afroze MD. Department of Pathology
- 5. Intersecting Challenges: Autoimmune Hemolytic Anemia complicated by Heterotopic Pregnancy**
Syeda Fareesa Unnisa (2022 batch), Surayya Tahseen MS, Department of Obstetrics
& Gynecology
- 6. Congenital Pseudarthrosis of Tibia: A Case Study**
Sidra Fatima (2022 batch), Zeeshan Sajid (PGY-2), Mohammed Siddique Mohiuddin
MS, Department of Orthopedics.
- 7. A Rare Neurological Presentation of IgG4-related disease (IgG4-RD)**
Uzma Ahmed (2019 batch), Husna Tabassum (2019 batch), Mohammed Zoheb MD.
Department of Neurology

DCMS ANNUAL RESEARCH DAY
Thursday, June 20, 2024
CLINICAL VIGNETTE POSTER PRESENTATION
Medical Students

- 1. Linezolid Induced Neurotoxicity: A Rare Case Report from Tertiary Care Institute.**
Zuha Shams (2022 batch), Md. Aleemuddin Naveed MD, Fahad Abdullah Bin Briek MD, Syed Mahmood Ahmed MD, Ashfaq Hasan MD, Department of Pulmonology.
- 2. Rare Case of Hydralazine Induced Vasculitis... and Lupus?**
Mohammed Abdul Shafi (2018 batch), Mohammed Sadat Mohiuddin (2017 batch), Abul Masoor (2016 batch), Abdul Rahman (2013 batch), Mohammed Abdul Humaed MD, Department of Medicine.
- 3. A Case Report of Benign Fibrous Histiocytoma at Unusual Site**
Abdul Aziz (2021 batch), Zia Ur Rahman (2021 batch) Zayeem Ahmed (2021 batch), Khatija Shameem MD, Sobia Afreen MD, Department of Pathology., Margam Prabhakar MS Mch., Department of Plastic Surgery.
- 4. Tuberculous Meningitis A Case Report**
Mohammed Azmatullah Quraishi (2021 batch) Mohammed Obeid Ur Rahman Athif (2022 batch), Sai Sanjana Akula MD Department of General Medicine.
- 5. A Clinical Masquerade: Gall Bladder Hypertrophy Reveals Spindle Cell GIST**
Yaserah Fatima (2021 batch), Zeba Tabassum (2021 batch), Asiya Tabassum MD, Naushaba Tazeen MD, Atiya Begum MD, Idrees Akhtar Afroze MD, Department of Pathology.
- 6. A Rare Case of Pilonidal sinus on nasal bridge in a child**
Zia Ur Rahman (2021 batch), Abdul Aziz (2021 batch), Zayeem Ahmed (2021 batch), Tabassum Warda (2021 batch), Khatija Shameem MD, Sobia Afreen MD, Department of Pathology., Margam Prabhakar MS MCh., Department of Plastic Surgery.
- 7. Recurrent Pleural Effusion in a case of Pulmonary Adenocarcinoma**
Zayeem Ahmed (2021 batch), Abdul Aziz (2021 batch), Zia Ur Rahman (2021 batch), Khatija Shameem MD, Sobia Afreen MD, Department of Pathology., Ashfaq Hassan MD, Department of Pulmonology.
- 8. Serendipity in Stones: The Accidental Discovery of Situs Inversus Totalis (SIT) in a Cholelithiasis Patient**
Zuha Zafar (2022 batch), Mohammed Abdul Hadi MS; Department of General Surgery.

9. A Rare Case of B Bell Lymphoma Presenting as Ewing's Sarcoma

Tabassum Warda (2021 batch), Sidra Rasheed (2021 batch), Zia Ur Rahman (2021 batch), Khatija Shameem MD, Sobia Afreen MD, Department of Pathology., M. Irfan Nagnur MS, Department of Orthopaedics.

10. Snapping Hip Syndrome

Noor Mariam Shaik (2022 batch), Nadira Begum (2022 batch), Numa Hasan (2022 batch), Mohammed Siddique Mohiuddin MS, Department of Orthopaedics

11. Hydatid cyst of the thigh

Warisa Ahmedi (2021 batch), Syed Mohammed Sajjad Husayni MS, Department of General Surgery.

12. Sarcomatoid Differentiation: An Atypical Presentation of Renal Cell Carcinoma

Syeda Yousufa Husna Fatima (2021 batch), Naushaba Tazeen MD, Atiya Begum MD, Idrees Akhtar Afroze MD, Department of Pathology.

13. Myxoid Liposarcoma On Anterior Abdominal Wall: A Rare Clinical Entity

Mehrina Farzeen (2021 batch), Naushaba Tazeen MD, Idrees Akhtar Afroze MD, Department of Pathology.

14. Malignancy Or Imatinib Induced Erythroderma

Adam Fazlullah Sharief (2022 batch), Jubair Aquib MD, Department of Dermatology, Venereology & Leprosy.

15. Squamous Cell Carcinoma of Nail Unit Masquerading as Osteomyelitis on MRI

Mohtashim Idrees Akhtar (2022 batch), Ahmed Mohiuddin Aijaz Jeelani (2022 batch) Naushaba Tazeen MD, Atiya Begum MD, Idrees Akhtar Afroze MD, Department of Pathology.

16. Cartilaginous Metaplasia of Thyroid Nodule

Madeeha Mujeeb (2021 batch), Naushaba Tazeen MD, Idrees Akhtar Afroze MD, Department of Pathology.

17. Trapped In the Nuck – A Rare Case of Ovarian Hernia

Ifrah Makeen (2021 batch), Husna Fatima (2021 batch), Naushaba Tazeen MD, Idrees Akhtar Afroze MD, Department of Pathology.

18. The Enigmatic Poison: A Journey to Diagnose Abrus Precatorius Poisoning

Kauser Fatima (2022 batch), Ganesh Vadthya MS, Department of General Surgery.

19. Early and Severe Recurrence of Urethral Stricture in a Patient with Keloid Tendency

Rania Khan (2019 batch), Juwairiyah Abdul Azeem (2019 batch), Syed Taharat Hussain MS, Mch., Y. Goutam MS, M.A. Majid Adil MS Mch., MRCS (UK), Department of Urology.

DCMS ANNUAL RESEARCH DAY
Thursday, June 20, 2024
CLINICAL VIGNETTE ORAL PRESENTATION
Postgraduate Residents

1. Usual Peritoneal Metastasis in Primary Cervical Cancer

Sumayya Aijaz (PGY-1), Naushaba Tazeen MD, Sobia Afreen MD, Khatija Shameem MD, Atiya Begum MD, Department of Pathology.

2. Unveiling Methotrexate Dilemma: A Compelling Case of Induced Pancytopenia & Gout

Syeda Ramsha Fatima (PGY-3), Sohail Bin Ahmed MD, Department of General Medicine.

3. Diffuse Panbronchiolitis Obliterans: A rare case

Asfa Durdana (PGY- 3), Ashfaq Hasan MD, M. Aleemuddin Naveed MD, Syed Mahmood MD, Fahad Abdullah Bin Briek MD. Department of Pulmonary Medicine.

4. Sickle Cell Hemoglobinopathy & Cholelithiasis – It’s Sequela.

Lubna Yasmeen (PGY-2), Naushaba Tazeen MD, Idrees Akhtar Afroze MD, Department of Pathology.

5. A Rare Case of Pyopneumothorax secondary to Aspergillus Niger Infection in Immunocompromised patient.

Afshan Sadaf (PGY-2), Ashfaq Hasan MD, Syed Mahmood Ahmed MD, Aleemuddin Naveed MD, Fahad Abdullah MD, Department of Pulmonary Medicine.

6. Retropharyngeal abscess presenting as MDR-TB with pulmonary involvement: A case report and review of literature

Nayini Rudhvij Reddy (PGY-1), Mohammed Raheem Hussain MD, Ashfaq Hasan MD, Syed Mahmood Ahmed MD, M. Aleemuddin Naveed MD, Fahad Abdullah Bin Breik MD, Department of Pulmonary Medicine.

DCMS ANNUAL RESEARCH DAY
Thursday, June 20, 2024
SCIENTIFIC RESEARCH ORAL PRESENTATION
Medical Students

- 1. Assessment Of Awareness and Knowledge Regarding Basic Life Support Among Medical Students**
Kansa Shareef (2022 batch), Sayeed Unnisa Sarah MD, Department of Social and Preventive Medicine.

- 2. Two Sides of a Coin: Hematological Comparison of Lean Versus Obese Patients with Polycystic Ovarian Syndrome Among Indian Women**
Farnaz Fathima (2020 batch), Asiya Tabassum MD, Department of Pathology.

- 3. From Stress to Sanitation: The Role OCD and Psychological Drivers in Enhanced Hygiene Practices After Covid-19 Pandemic**
Mohammed Alia Sultana (2021 batch), Asfiya Tasneem (2021 batch), Abhishek Mansabdar MD. Department of Psychiatry.

- 4. Correlation of Hyperuricemia with Its Varied Clinical Manifestations, Anthropometric and Demographic Parameters.**
Mohammed Misbahuddin (2019 batch), Hafsa Jabeen MD, Department of Social and Preventive Medicine.

- 5. Association Of Body Mass Index with Severity of Dengue Infection in Children**
Mohammad Abdul Hadi (2019 batch), Mehnaaz S. Arifuddin MD, DNB., Department of Physiology.

- 6. Inequity of Mental Health**
Tahseen Fatima (2022 batch), Mazhar Ali MD. Department of Psychiatry.

DCMS ANNUAL RESEARCH DAY
Thursday, June 20, 2024
ORAL SCIENTIFIC RESEARCH PRESENTATION
Postgraduate Residents

1. Bacteriological Profile and Antibiotic Susceptibility Pattern of Isolates obtained From Endo-tracheal Secretions and Bronchoalveolar Lavage Fluid at a Tertiary Care Hospital – A Six Month Study.

Nabila Fatima (PGY-2), Sarwat Fatima MD, Shaheen Sultana MD, Grishma Vijaykumar Kulkarni MD, Department of Microbiology.

2. Panoramic View of Histopathological Lesions in Nephrectomy Cases.

Hafeza Syeda Farha Sultana, (PGY-3) Pathology, Naushaba Tazeen MD, Sobia Afreen MD, Khatija Shameem MD, Idrees Akhtar Afroze MD, Atiya Begum MD, Department of Pathology.

3. HbA1C Level in Early Pregnancy as an Indicator of Gestational Diabetes

Azmath Thahera Shaik (PGY-2), Pabbaraju Padmaja MS, Surayya Tahaseen MS, Department of Obstetrics & Gynecology.

DECCAN COLLEGE OF MEDICAL SCIENCES
THIRD ANNUAL RESEARCH DAY
Thursday, June 20, 2024
Owaisi Hospital & Research Center, Hyderabad, India

Chair	Dr. Ashfaq Hasan	Principal, DCMS
Co-Chair	Dr. M.A. Majid Adil	Vice-Principal, DCMS
Co-Chair	Dr. Mohammed Moizuddin	President, DAANA

Research Reviewers

Dr. Obaidullah Junaid	President, DAAME	Consultant Pulmonologist, Riyadh
Dr. Mohammed Moizuddin	President, DAANA	Pulmonary, CCM & Sleep Med, USA
Dr. Raza Khan	Board of Trustee, DAANA	Internal Medicine, Minnesota, USA
Dr. Ehteshamuddin Syed	BOD, DAANA	Internal Medicine, Chicago, USA
Dr M. Sadique Hussain	Associate Program Director	Internal Medicine, Chicago, USA
Dr. Quretul Quresh	Clinical Asst. Professor	Rheumatology, Dallas, USA
Dr. Essam Quraishi	President, ASC	Gastroenterologist, California, USA
Dr. Mehnaz Arifuddin	Professor Physiology	DCMS, India

Research Day Judges

Dr. Mohammed Moizuddin, Pulmonary, Critical Care & Sleep Medicine, Clinical Asst. Professor of Medicine & Geriatrics, University of North Texas Medical School. Faculty Texoma Family Practice Residency Program & Hunts Regional Internal Medicine Residency Program, TX, USA

Dr. Mohammed Sadique Hussain, Associate Program Director, Internal Medicine Residency Program, Franciscan Health System, Olympia Fields, IL. USA

Dr. Quretul Quresh, Key Faculty, Rheumatology, Hunts Regional Internal Medicine Residency Program, Greenville, Texas. Clinical Asst. Professor of Medicine, UNT Med. School, Texas, USA

Dr. Obaidullah Junaid, MRCP (UK), Consultant Pulmonologist, Riyadh, KSA

Dr. M. A. Majid Adil, Mch. MRCS (UK) Professor of Urology, DCMS, India

Dr. Mehnaz S. Arifuddin, Professor of Physiology, DCMS, India

Others to join soon on research day

Research Day Volunteers

Dr. Naseem Majid	BOD, Deccan Alumni Association
Rabeaa Mirza	Final Year Medical Student, DCMS
Husna Fatima	Final Year Medical Student, DCMS
