

DECCAN COLLEGE OF MEDICAL SCIENCES

THIRD ANNUAL RESEARCH DAY

Thursday, June 20, 2024

Owaisi Hospital & Research Center

Hyderabad, India

PRIZE WINNERS

CLINICAL VIGNETTE ORAL PRESENTATION

Medical Students

- 1. A Rare Neurological Presentation of IgG4-related disease (IgG4-RD)**
Uzma Ahmed (2019 batch), Husna Tabassum (2019 batch), Mohammed Zoheb MD.
Department of Neurology
- 2. Uncovering Paraneoplastic syndrome in a young male, presenting as polyradiculoneuropathy**
Aatiqaa Mafaza (2022 batch), Mohammed Zoheb MD, S. Chandra Reddy MD.
Department of Neurology.
- 3. Hollow Viscus Perforation in Typhoid**
Amena Maryam Imam (2002 batch), Rania Khan (2022 batch), Ganesh Vadthya MS,
Department of General Surgery.
- 3. Gradenigo Syndrome – A case of CSOM with Petrous Apex Involvement**
Rumaisa Rafi (2022 batch), Summayya Fatima (PG), Nabil Abdul Samad Mulla MS,
Department of Otorhinolaryngology.

CLINICAL VIGNETTE POSTER PRESENTATION

Medical Students

- 1. Squamous Cell Carcinoma of Nail Unit Masquerading as Osteomyelitis on MRI**
Mohtashim Idrees Akhtar (2022 batch), Ahmed Mohiuddin Aijaz Jeelani (2022 batch)
Naushaba Tazeen MD, Atiya Begum MD, Idrees Akhtar Afroze MD, Department of
Pathology.
- 2. Malignancy Or Imatinib Induced Erythroderma**
Adam Fazlullah Sharief (2022 batch), Jubair Aquib MD, Department of Dermatology,
Venereology & Leprosy.
- 3. Early and Severe Recurrence of Urethral Stricture in a Patient with Keloid Tendency**
Rania Khan (2019 batch), Juwairiyah Abdul Azeem (2019 batch), Syed Taharat Hussain MS,
Mch., Y. Goutam MS, M.A. Majid Adil MS Mch., MRCS (UK), Department of Urology.

- 3 Linezolid Induced Neurotoxicity: A Rare Case Report from Tertiary Care Institute.**
Zuha Shams (2022 batch), Md. Aleemuddin Naveed MD, Fahad Abdullah Bin Briek MD, Syed Mahmood Ahmed MD, Ashfaq Hasan MD, Department of Pulmonology.
- 4 Cartilaginous Metaplasia of Thyroid Nodule**
Madeeha Mujeeb (2021 batch), Naushaba Tazeen MD, Idrees Akhtar Afroze MD, Department of Pathology.

SCIENTIFIC RESEARCH ORAL PRESENTATION

Medical Students

- 1. Correlation of Hyperuricemia with Its Varied Clinical Manifestations, Anthropometric and Demographic Parameters.**
Mohammed Misbahuddin (2019 batch), Hafsa Jabeen MD, Department of Social and Preventive Medicine.
- 2. Inequity of Mental Health**
Tahseen Fatima (2022 batch), Mazhar Ali MD. Department of Psychiatry.
- 2 Assessment Of Awareness and Knowledge Regarding Basic Life Support Among Medical Students**
Kansa Shareef (2022 batch), Sayeed Unnisa Sarah MD, Department of Social and Preventive Medicine.
- 3 Two Sides of a Coin: Hematological Comparison of Lean Versus Obese Patients with Polycystic Ovarian Syndrome Among Indian Women**
Farnaz Fathima (2020 batch), Asiya Tabassum MD, Department of Pathology.
- 3 From Stress to Sanitation: The Role OCD and Psychological Drivers in Enhanced Hygiene Practices After Covid-19 Pandemic**
Mohammed Alia Sultana (2021 batch), Asfiya Tasneem (2021 batch), Abhishek Mansabdar MD. Department of Psychiatry.
